

From Maggiore's to Piccolo's and from Medio's to Gigante's, LaBella Dahlias come in all sizes and colours. For example, a LaBella Dahlia Maggiore is a real eye-catcher with its extravagant and large flowers. A LaBella Dahlia Medio, on the other hand, is perfect for smaller pot sizes, producing beautifully coloured mixed trays. Thanks to the wide and refreshing colour palette that LaBella Dahlia has, there really is something for everyone. Are you already familiar with the 'fun' colours? These are distinguishable by the special colour combinations in the flowers. The LaBella Dahlia series, with flowers that know how to highlight the art of nature, are all artists.
